Historical Items.

“Write this for a Memorial.”—Ex. 17:14.

The following facts, connected with the history of our Church we deem worthy of record in this book, year by year:

This Church was organized February 23, 1871, with a membership of 54—8 of whom are still with us.

David Shirk and Jos. A. French were the first Elders. The former died, November 30, 1873, and the latter, September 6, 1887.

Eight other Elders have also passed to their reward—G. W. F. Sherwin, September 24, 1887; W. R. Davenport, December 13, 1888; James P. Covert, April 2, 1909; James F. Love, March 8, 1910; Lucius H. Couse, January 1, 1911; Chas. C. Shirk, May 23, 1911; W. E. Hayes, January 17, 1916; and John A. Perry, May 6, 1916.

Rev. Charles C. Kimball was the first Pastor, installed May 11, 1871; released to take charge of a church in Kansas City, Mo., October 12, 1878. He died May 26, 1905.

Rev. Solon Cobb, D. D., was installed December 26, 1878, and released to take charge of Point Breeze Presbyterian Church, of Pittsburgh, January 10, 1895. He died in Pittsburgh, May 26, 1900, and was buried in Erie, May 29.

Rev. Hugh Lenox Hodge, D. D., was installed October 15, 1895, and on account of impaired health was, at his own request released February 28, 1909.

Rev. George Bailey, Ph. D., D. D., was unanimously called to the Pastorate June 30th, and installed September 28th, 1909.

The Church was formed in Walther's Hall, worshipped for about two years in Temperance Hall, and dedicated the Chapel, we for nearly fifteen years occupied, June 8, 1873. It was burned January 27, 1888. The building we now occupy was dedicated November 17, 1889. The Sunday School building was erected in 1896-7.

The present amended Charter was granted by the Court of Common Pleas in the County of Erie, April 10, 1883.

The present By-Laws were adopted at the Annual Meeting in January, 1884. The Charter and By-Laws may be found in the Hand-book of 1884-5, and the By-Laws, as amended up-to-date, in the Hand-book of 1904-5.

Since the organization of the Church, to the original membership of 54, 1411 have been added on Confession of Faith, and 861 by Letter—in all, 2272, an average of 50 a year.

The roll has included 2309 names. Of these 274 have died; 765 have been dismissed, 474 retired from active roll; leaving the present membership, April, 1917, 819. We have received and paid out for building, current expenses, general benevolence, etc., during the forty-six years, about \$502,000.00.

Mr. S. H. Drown is serving as Superintendent of the Sunday School for the eighth successive year. Commencing with a membership of 35, the school has increased, until now we have 560 names on our roll, and 889 of the scholars have joined the Church, an average of 20 a year.

What We Believe.

“Hold fast the form of sound Words”- II. Timothy 1:13

The leading doctrines of our faith are taught in the Word of God, contained in our Catechisms and Confession of Faith, and are briefly summarized as follows:

WE BELIEVE:

I. That there is one living, true and infinite God, subsisting in three equal persons, Father, Son and Holy Ghost.

II. That the Scriptures of the Old and New Testaments are the inspired Word of God, the only infallible rule of faith and practice.

III. That God ordaineth and worketh all things after the counsel of His own will, and yet in perfect consistency with the freedom of the human will and the use of means.

IV. That our first parents were created holy, but fell from their holy estate by disobedience; in consequence of which all their descendents are inclined to disobedience, and are under the curse of the law.

V. That God, the Son, became man, obeyed the law, and by His death made atonement for sin, so that all who truly believe in Him obtain forgiveness and everlasting life.

VI. That men are justified by faith in Christ alone, but are bound to obey the law as the evidence and result of faith.

VII. That the Christian Sabbath, and the Sacraments of Baptism and the Lord's Supper are of divine appointment, and are to be observed by all who desire to do the will of God.

VIII. That at the end of time, Christ will raise the dead and judge the world, when all will receive just sentence according to the deeds done in the body, whether they be good or evil, every man's condition being then unalterably fixed by God, and approved by the universal conscience.

Miscellaneous Suggestions.

1. **Pastoral Visits.** It is the purpose of your Pastor to visit every family in the congregation as often as once a year, if possible, and often-er in cases of special need. His plan is to visit on the East Side during the Fall months and on the West Side during the months of Winter and Spring. It is necessary that all who desire his visits, see to it that he has their correct address.

2. **Cases of Affliction or Sickness** should be promptly reported to the Pastor, if his presence is desired, and this should always be done in the case of dangerous illness of the unconverted.

3. **Funerals.** The Pastor should be consulted in regard to the time of holding all funerals he is expected to conduct, that he may arrange accordingly. Sunday funerals greatly burden the Pastor, and interfere with the regular services. Let them be avoided whenever possible.

4. **Removals and Absence.** When addresses are changed, or persons are even temporarily out of town, much time and needless anxiety will be saved the Pastor by prompt notification of the facts.

5. **Baptisms.** Parents, intending to present their children for Baptism, should always write upon a slip of paper the name of the child in full, with date of birth, and the names in full of both parents, and should hand the same to the Pastor, that the Record in the Church Register may be complete.

6. **Dismissions.** Church members, removing beyond the bounds of this parish, for the purpose of settling permanently elsewhere, are urged to apply to the Session without unnecessary delay, for letters of dismission from this Church, in order that they may connect themselves with some Church of like faith, in the place to which they have removed their residence. Otherwise, having no Church home of their own, they are apt to become irregular in attendance on public worship, and to lose much of their interest in Christian work. For similar reasons it is desirable that members of other Churches, who come to reside in our community, and wish to attend our Church, should transfer their connection as soon as possible, to this Church, and identify themselves with the work of the Lord in this place.

7. **New Members.** In order that new members may speedily feel at home among us, their acquaintance should be sought. While it is impossible in a large Church, like ours for all members to be on intimate terms, yet it is not impossible for us to be mutually acquainted, and to be interested in each others welfare.

8. **Strangers.** Strangers should be kindly welcomed, and invited to return. Members should invite strangers forward after services and introduce them to the Pastor.

9. **Contributions.** Contributions should be given regularly, systematically and proportionately, as the Lord prospers every man, both for the support of His Church and for His work through benevolent institutions. The church is supported by voluntary contributions placed in envelopes, and deposited in the boxes in the Church vestibule.

The Pastor's Message.

The spacious panorama of a year
But multiplies the image of a day. —
Emerson.

The forty-sixth year of organized life in Central Church closes amidst stirring scenes. The tocsin of war is sounded more than half way round the world. Our own nation, loving and preferring peace, has now been forced into the fray. On April 2nd 1917, Congress declared: "a state of war to exist between Germany and the United States." To the tremendous sacrifices in human life and treasure, poured out like water in defence of Democracy, America must now add her share. The rich young manhood of our churches and homes is marching to the front with unfaltering step and glowing hope. How many of them will return, how many will die on a foreign soil, we cannot tell. But this we do know. Not one will come back the same as when he went away. Deep-lined scars will be imbedded in his heart; wounds which eternity only can heal will afflict his soul. Yet even this we can bear if only God will preserve to us our freedom and laws, our religious heritage and cherished faith.

It may be that the real life of the world could only be preserved by this baptism of blood and fire! Alas, how deeply has our nominal Christianity dishonored God. How inconsistent, untrue and shameless the policies of many so-called Christian nations when put to the acid test. Most grievously has the name of Christ been slandered. How largely we have lost His Spirit. Through the fiery ordeal of dread war, please God, the nations may be called back to the deep and abiding realities of true religion. Thus shall our solemn witness be vitalized and our ideals realized. By the impelling springs of heart conviction, our traditions shall be made potent and shall crystalize into definite power.

The past year has been marked by fruitful activities in the Church and Sunday School and in every auxiliary society. The thorough renovation of our Chapel adds greatly to our comfort and pleasure. The accessions to the Church roll by letter and confession of faith numbered seventy-one. We lost ten by death, seventeen by removals and twenty-two by Suspension. The net total of Communicants reported to Presbytery last month was 819. A review of this year, the eighth of the Pastor's ministry in Central Church, elicits from him thankful appreciation of loving co-operation shown by the Elders, the Trustees and the congregation in general.

Annual Report of the Board of Trustees.

For the Year Ending March 31st, 1917.

During the past year a special effort was made to improve the Church property and put it in a good condition of repair. The Sunday School Room has been re-decorated and a new Sunday School Carpet purchased. The entire roof of the Church put in good repair and the seats in the Church Auditorium re-finished.

All repairs on the Church for the last year amounted to \$3,531.59.

At the beginning of the year the deficit from the previous year was \$1,563.43. After paying for all the repairs above mentioned, and all current bills to date, the existing deficit amounts to \$2,351.56.

The Trustees are greatly indebted to the Officers and various classes in the Sunday School who contributed liberally towards the Carpet Fund, the amount of such contributions amounting to \$907.50.

The thanks of the Trustees are also extended to the Ladies' Aid Society for the payment of \$737.13, on account of the Manse Mortgage, which has now been reduced to \$1,804.87.

The Trustees now have on hand in the Julia A. Shattuck Endowment Fund the sum of \$1,050.00, as follows:—Certificates of Deposit:—\$200.00; balance on mortgage owned: \$850.00.

There is no mortgage upon the Church property, and the only indebtedness of the Church (outside of the mortgage on the Manse), is the sum of \$2,351.56, represented by a note of the Church.

During the past month we have continued the custom of an Every Member Canvas, which method is, in our opinion, the most satisfactory system of raising funds for Church support.

The Budget as recommended for the coming year is as follows:
